Rules for National Competitions 2017

1. National Fixtures Management

- a. As far as possible, county grounds are to be used for all adult championship games.
- b. In the event of county grounds being unavailable, home counties must agree with the Association's National Office a venue as near as possible to the travelling team, provided the venue meets the necessary standards required by the Camogie Association for inter-county games. The standards are outlined in the Venue Guidelines in the National Fixtures Booklet.
- c. For games with TV coverage, the Association's National Office will directly be involved in liaising with local Camogie and GAA boards on securing the county ground.
- d. All adult championship games must normally start at 2.30 p.m. In exceptional circumstances the Competitions Management Committee may agree to an intercounty game commencing at 1.30 p.m.
- e. All National League games must normally start at 2.00 p.m. In exceptional circumstances, the Competitions Management Committee may agree to an intercounty game commencing at 1.30 p.m.
- f. Camogie double header games must normally start at 2.00 p.m. and 3.30 p.m./3.45 p.m.
- g. Any deviation from the above times must be requested from the National Competitions Management Committee and/or the Association's National Office. Such requests will only be acceptable via the County Secretary in accordance with Official Guide Rule 15.2 and only from the officially designated County/Club Secretary email.
- h. Any team who concedes a game will:
 - forego receipt of any grants from Ard Chomhairle related to intercounty games participation or;
 - incur a fine as per Official Guide Rule 33.4 or;
 - lose home advantage next season as per Official Guide Rule 33.4 .
- i. Any team who concedes a game cannot progress to the knock-out stages of a competition (i.e. Quarter-Final/Semi-Final/Final).
- j. Fixtures changes that are not covered under Rule 33.5 Official Guide Part I can only be requested in exceptional circumstances and will only be considered if submitted in writing in accordance with Official Guide Rule 15.2 and only from the officially designated County/Club Secretary email no later than the Monday in the week of the fixture.
- k. In all competitions under the auspices of Ard Chomhairle and run on a league basis, whether on a single or double round system, 3 points will be awarded for a win and 1 point for a draw.

2. GAA double headers

Please note first named teams in the fixtures schedule does not necessarily mean home venue for championship games, particularly in the event of a GAA double header becoming available at a neutral venue. Starting times for GAA double headers will be agreed by the National Competitions Management Committee and/or the national office.

3. Extra-time to determine outcome of game

- a. In all competitions under Ard Chomhairle's jurisdiction, national finals are the only games that automatically go to a replay if the game finishes in a draw.
- b. Other games that need a definite outcome e.g. Quarter-Finals and Semi-Finals will automatically extend to extra-time if the game first finishes in a draw. If the game finishes in a draw after extra-time, a replay is scheduled.

4. Procedure to determine a team's progression in a competition when teams finish on equal points in all competitions run on a single round league basis

When competitions are run on a single round league basis and when teams finish on equal points at the end of a competition and when one or more teams can progress to the next stage of the competition, overall score difference will first apply:

- a. Overall score difference is determined by *scores against* deducted from *scores for* in every game played in the group. Scores for and against teams who conceded a game or games in the group will be fully disregarded in determining overall score difference. The team with the highest (net) result progresses.
- b. The result of the group game between the teams in question will determine who progresses.
- c. If teams remain on equal rankings after step (a) & (b) above: A play-off game(s) will take place to determine who progresses. Extra-time will apply in such games.

5. Agreed protocols between the Camogie Association and LGFA re 2017 National Fixtures

- a. The Camogie Senior Championship Semi-Finals will be scheduled for 19th August 2017 to avoid a clash with the LGFA All-Ireland Championship Quarter-Finals on 12th August.
- b. Direct clashes between the same age groups in both codes at National level will be avoided as far as possible.
- c. The Camogie Association, undertakes to avoid a direct clash with the Munster LGFA Finals in 2017.
- d. In the case of the Premier Junior and Intermediate Championship clashes involving dual players there will be liaison by the National Offices of both codes and leeway left in the fixture plans for games to be played on the Sunday. A number of Camogie/LGFA National League fixtures are scheduled to avoid direct clashes - this means a number of Camogie League games are scheduled on a Saturday (see calendar). The LGFA are doing likewise.
- e. In the event of unanticipated National/Provincial fixture clashes involving dual players that the National fixture of either Association takes precedent over the Provincial fixture of the other code.
